## YAA! Alumni Newsletter

April 2008

Dear Alumni,

Happy Spring from all of us at York!

I can't wait to catch up with everyone at Alumni Night again this year.

Around the halls at York, IB Diploma students are studying for their exams, Mr. Hamilton is still asking students to tuck in their shirts and the Ultimate Team is heading out for practice ... come back and see what else is happening!

## VISIT TO QUEEN'S

*"My favourite thing about working at York  
is taking road trips to visit our graduates" - Ms. Lister*

On Friday, January 11, 2008, Ms. Lister, Mr. Jones and Mr. Hanna visited our Alumni at Queen's University. We have so many alums there and every year, we always have a fantastic turnout and a great time.

### HELLO FROM HANNA

"Great seeing everyone at Queen's. We have hired Tarah Feldman-Lloyd '05 as a Teacher's Assistant for US Math. It's cool to have an alum working with us on staff. To Robbie Lee '07 -- we have taken into consideration your York School promotional idea for next year. Great idea ... bad taste. See you soon!"

### JUST IN FROM JONES

"As I write this note, the current "soon-to-be graduates" are preparing for their IB EXAMS - HA HA HA HA! Remember those? Remember how stressed you were? Now take a moment and appreciate your summer vacation plans. Isn't life great?"

About our visit to Queen's: I deny it all. Even if there are pictures. I have a twin brother ... did I not mention him before?

It was great to see everyone and I look forward to next year. Or my twin brother does, (depends on how things go)."
